

GOULBURN OFF-ROADER 2230 FV

AS PER CHASSIS EC21218

Exploring Australia with a Goulburn Off-Roader 2230 Family Van is a great way to create life-time memories

The Goulburn Off-Roader 22'3" is a 3-bunk family van that offers real adventure combined with all the modern luxuries and comforts. It's designed and built to handle years of traveling Australia's roughest roads and at the end of the day to provide you and your family resort style comfort.

If you're planning on traveling to Uluru, the Kimberleys, or the infamous Gibb River Road, this Goulburn Off-Roader is the perfect family caravan for the job. With features such as 4.4T Cruisemaster Suspension, DO45 Hitchmaster Coupling, 16" Alloys, extra checker plate paneling, aluminium cradle gas bottles, it's the perfect van to explore this great country with your family.
